## Two Pinned In Wrecked Car

A one car accident Monday afternoon pinned two men in the wreckage and caused rescuers some harried moments as bleeding wounds and victims pleading for help blended with the smell and sight of leaking gasoline in the confinis of thick trees and brush and a ground protected by a cover of dry, dead leaves and pine straw.

Charlie Barrentine and John B. McLaney were the two occupants of the car when it

left the road and overturned on Highway 125 (Brundidge Highway) Monday afternoon about 3:17. Witnesses reported they were traveling toward Elba at a high rate of speed.

Elba policeman Pete Daugherty removed his gun belt and crawled into the car to check the bleeding from the head of one of the trapped men. He then broke out the windshield from the inside and assisted in removing the man from the car.

The other man, McLaney, was pinned with his legs outside the car and his legs between the car and a stump. In spite of fears the men were seriously hurt, Barrentine was treated and released while McLaney suffered a bad cut on his leg and was admitted but suffered no broken bones.

State Trooper R. W. Whitworth charged Barrentine with DWI and McLaney with Highway Intoxication.

## Plans Settled For Handling Storm Problems

Plans for coping with Frederic and the aftermath of the big storm was underway at press time Wednesday.

Weather reports indicated the eye of the storm will hit land somewhere around Mobile with an eye thirty miles wide. Winds of up to 150 miles and hour are expected in many South Alabama counties, while the highways are already heavy with traffic as residents of beach and other low lying areas near the Gulf of Mexico move North to avoid the brunt of the storm.

The Army Reserve Center and The National Guard Armory in Elba is preparing to house residents of the Florida Pan handle that need housing. The Riviera Motel, Elba's only

motel is already full as are motels in surrounding towns.

Civil Defense officials met at Ft. Rucker Wednesday morning to coordinate activities with available military facilities. Later in the day a meeting was held in Enterprise with police departments mapping their plans to assist with any emergencies that might arise.

Schools in Elba and Coffee County were canceled for Thursday in anticipation of the worst of the storm being in the area during the day.

## Brunson Honored By Enterprise Schools

Marion Brunson, center, is shown receiving a certificate of appreciation from the Enterprise School Board for his eighteen years of service to the Enterprise school system. Brunson served as principal of Hillcrest Elementary School before accepting a similar position with the Elba school system this year.

Presenting the certificate is Thad Morgan, newly appointed Superintendent of the Enterprise system. At left is Chairman of the Elba School Board, Fred Clark.

The presentation was made at the regular meeting of the Elba School Board last Thursday night.

Both suffered extensive burns over the upper part of their body but had not been transferred to burn centers at press time.

In an interview with Mr. Elmer Taylor, superintendent, he released the following statement:

"The first day students came to school, we had a full day, and this worked out real well, and was the result of good planning by the principals and teachers."

"Mr. Marion Brunson and Mr. Charles Pearce, new principals at the elementary and middle schools, have both gotten off to a good beginning, as well as Mr. Powell and Mr. Foley in the Jr. and Sr. High Schools."

"The Elba High School scheduled for Elba next Wednesday has been moved up to today. The emergency change is due to an extreme shortage of available blood at the Blood center in Mobile."

Blood donors can make their donations between the hours of 11 a.m. and 5 p.m. The Red Cross Bloodmobile will be at the First Assembly of God Church on Highland Drive.

## Commission Tells Attorney-Keep Us Out Of Jail

The Coffee County Commission met in regular session on Monday, September 10, in a packed commission room at the courthouse in Elba, and heard Commissioner Bonnie Beckham tell the county attorneys: "I will look to you to keep us out of jail. I've never been in jail and I don't hope to go!"

Commissioner Beckham was referring to the recent Grand Jury mandate which stated the "county commission make immediate preparations to either construct a new jail in Elba or improve the present facility so that it will concur with all federal regulations stated in recent court rulings." The Grand Jury report also stated "On December 3, 1979, the Grand Jury will reconvene . . . and, if no work has been done in remedying the situation, we, the Grand Jury, will return indictments against each member of the county commission and Probate Judge James Sawyer."

Sheriff Brice Paul was openly critical of television reports concerning the jail, and said, "I am upset with WSEF-TV in Montgomery. They were in town last week to do a feature on the jail, but when the report was aired, the film shown was several months old. They used shots that were not up to date. We've done \$9,000 worth of repairs since the old film was made!"

"We are always glad to have news coverage," stated Commissioner Beckham, "but I do object to the fact the news media knew of the Grand Jury report before we did. We are supposed to be County Fathers, and we should have had the courtesy to know of the report first. As far as the jail is concerned, at this time I don't know what to do."

"I'd like for the county attorney to advise us what we should do," said Commissioner Jack Hornsby.

"The Grand Jury is supposed to meet in secret," stated County Attorney Warren Rowe, "and I don't know how the report got out so fast. My office is doing research in the matter, but it will take 2 or 3 weeks. I can't give you an answer today. The way I understand it is that by December 3, the Grand Jury wants a new jail sitting over there! I will ask for an Attorney General's opinion on the matter."

"We want to do what is in the best interest of Coffee County," added Beckham, "and I will look to you (Rowe) to keep us out of jail. I've never been to jail and I don't hope to go."

"This is something we're not taking lightly," said Probate Judge James Sawyer. "This is a serious thing, and an indictment is a serious thing. We will ask our attorneys to look into the matter and advise us on what to do."

Sheriff Paul, meanwhile, was still upset with WSEF-TV, and said, "We've all been working long and hard to improve conditions, and then they show a film on TV that is six months old. I don't feel that gave a fair showing of present conditions at the jail. I am upset, and don't think it is fair."

In closing, Judge Sawyer stated, "We've a committee that works with the sheriff on improving conditions at the jail, and they will continue to do this."

Mr. Ralph Medley met with the commission and stated, "I've never been to a meeting before, but I have a complaint. The ditches along the road near my farm are grown-up, and they create blind spots. I recently had a wreck because of the weeds blocking the view around a curve and did \$1700 damage to my truck as we would like for something to be done."

The Commission agreed to look at the road and discuss clearing the ditches.

Mr. James Kelley, of the Zarr Community, complained that "the county put a road through my property, and it doesn't have the right-of-way. Legally and morally we have the right to a reasonable amount of compensation. They didn't even have a right to put in the road. It's against the law to do work on private property and the county did work on my land. We could still sue, but all we want is a fair settlement."

The matter seemed complicated and reportedly started when a family member that did not have a legal right, signed papers okaying the county to pave the road. The matter was turned over to the county attorneys.

Judge Gary McAliley told the Commission it must approve a raise to be given to Mr. Blair, a juvenile officer. Blair is reportedly the lowest-paid juvenile officer in the state by \$200 a month, and the legislature recently okayed a raise. Judge McAliley stated the new salary would be \$1100 a month, and told the Commission it would be covered by the state and the court system. All the county would have to pay is \$350 a month. The Commission approved the raise unanimously.

Judge Sawyer told the Commission: \*\*\*the State Highway Department has requested the Commission make comments on a proposed connector road in Elba (the matter was turned over to County Engineer Leslie Mullins); \*\*\*the jail report was in, and everything seemed to be in good shape as far as fire hazards are concerned; \*\*\*Representative Mike Weeks

had requested the Commission make known any important local legislation; \*\*\*they were invited to attend an Emergency Medical Services conference; \*\*\*and, that a one-day computer workshop will be held in Andalusia on September 20.

Commission Clerk Brunese Winston also addressed the Commission and stated: \*\*\*they needed to borrow \$2,574 to pay for property appraisal work done by Coston Barlow, (Commission approved the request); \*\*\*that bids on pest control service on county buildings

needed to be sent out; \*\*\*an estimated \$105,000 would be coming to the county in Revenue Sharing funds (will be used in Public Safety); \*\*\*a contract needed to be signed for tax mapping with Rolland Roberts in the amount of \$21,750 (Commission approved).

The final action was to pay bills, which included a \$5,500 payment to the legal firm of Rowe, Rowe and Sawyer for additional fees, a \$41 bill for an Enterprise City directory for the probate judge, and a \$41 bill for an identical directory for the sheriff.

## Taylor Reports School Opening Was Smooth

The Elba City School System is in its third week of operation, and, according to teachers and school administrators, it was a good beginning.

In an interview with Mr. Elmer Taylor, superintendent, he released the following statement:

"The first day students came to school, we had a full day, and this worked out real well, and was the result of good planning by the principals and teachers."

"Mr. Marion Brunson and Mr. Charles Pearce, new principals at the elementary and middle schools, have both gotten off to a good beginning, as well as Mr. Powell and Mr. Foley in the Jr. and Sr. High Schools."

"The Elba High School scheduled for Elba next Wednesday has been moved up to today. The emergency change is due to an extreme shortage of available blood at the Blood center in Mobile."

Blood donors can make their donations between the hours of 11 a.m. and 5 p.m. The Red Cross Bloodmobile will be at the First Assembly of God Church on Highland Drive.

students, and hard work by the band director.

"Coach Wood and his assistants have certainly done a good job with the football team. After winning the first two games by a decisive margin - and we believe they will continue to improve throughout the season - we look for another fine football team this year."

"I am sure everyone has noticed the improvements at the football stadium. Thanks to the Elba Athletic Club for this, and we do appreciate so very much their interest and support in the athletic program and to the entire school system."

## Shoot-Out Stopped By Deputies

There was a shooting last Thursday afternoon in the Jack Turner community. Sheriff Brice Paul reported two neighbors were involved in a shooting in which one was wounded in the shoulder.

Deputies Ray Norris and John White investigated the shooting and reported the shooting was part of a dispute over a small building being torn down by Cally Turner.

The building was reportedly on land recently sold by Richard Flowers to Flack Lumber Company.

Paul said he understood Flowers and Turner, who are neighbors, had been experiencing conflicts in the past. Flowers received treatment for gunshot wounds and was released from the hospital. Both men were arrested and posted bond.

Cally Turner visited The Elba Clipper office and expressed concern that some reports circulating in various news media was in error. Therefore the following is his written explanation of the events of the day: "Coffee County sheriff's deputies were called last Thursday to a Hatfield and McCoy style shootout in Jack."

Deputies John White and Ray Norris responded to a call that a shooting was in progress in Jack. Upon arrival on the scene the deputies found Richard Flowers had been shot in the left shoulder and another bullet had grazed the right side of his head.

Flowers was taken to Elba General Hospital for treatment. After being released from the emergency room he went on home. Deputy Norris told Cally Turner to go to the County Jail and before being released he had to make bond.

According to reports it wasn't until Friday that the law enforcement decided to go looking for Richard Flowers to see if he was the one who started shooting back at Flowers.

The dispute was over a small building given to Cally Turner by Mr. Alvie Gallimore, overseer for Flack Lumber Company. Flack purchased the land the building was on from

Richard Flowers in August, until Friday that the law enforcement decided to go looking for Richard Flowers to see if he was the one who started shooting back at Flowers.

Investigation revealed the 10 or 11 shots had been fired according to Sheriff Paul's report."

## Miller Talks To Local Lions

Senator Wallace Miller was guest speaker of the Elba Lions Club Tuesday night. Above he is shown being greeted by members of the Elba Lions Club.

The Elba Club is in a program of inviting various government officials to speak to their club to better understand the operations and problems of government officials.

POOR ORIGINAL

# BRAINSTORMS WITH FERRIN COX

There are still good folks in this world. Friday night one did something nice for my children . . . and when you befriended my children, then you have done better than if you had done something for me personally. That is a natural reaction, I think. Anyway, halftime at the football game is the time we march the three-year-old, Eric, to the bathroom and the drink counter (not always in that order). Well, this time eleven-year-old Chris had the honors and went to the drink counter "before the rush." Then in the bathroom with the Coke setting down while other business was attended to as planned, another visitor to the bathroom felt responsible for turning it over and spilling the drink. Chris was worrying about the crying of a three-year-old not having a drink when he went back to watch the band; but to the rescue was the man (whose name I don't know) standing outside with 35 cents for a replacement. Sir, wherever you are - there is a special place reserved for you in Heaven, whenever you need it.

Typical of federal government efficiency, last week (September 4th) we received some Department of Energy regulations and reports that law required us to complete by August 15 (7). We don't understand much about the heating and cooling regulations, but dislike what we read and understand. The 78-degree cooling doesn't bother us much, but the idea of trying to work at 85 degrees in winter is horrible; especially since most of our work requires working in close quarters with fingertips where gloves are impossible, and stiff fingers stop the work.

One thing we did understand in the booklet was the fines of \$5,000 and \$10,000. Someone will be around checking, and if we don't understand well enough to comply - then, brother, we are in trouble.

The Coffee County Commissioners are following the red tape necessary to qualify for the \$105,000 of federal revenue sharing money. An auditor has told them to publish the regular announcement of a hearing on plans for the money, but now they must publish (and pay for) a "summary" of the entire budget, including the general fund. We don't mind the extra money in our pocket, but know this type thinking is pushing our personal tax bill higher and higher every year.

The state of Mississippi has again captured the Miss America crown. We don't have an official study, but it sure seems Mississippi comes up with the most winners (prettiest girls)? They may even walk away with the crown 40 or 50 percent of the time. We have watched the program on the tube in the past when we thought the non-winning Mississippi girl was far prettier than the winner. We don't understand how they win more than Alabama girls - they were all graded from the same stock, and except for the Mississippi River Delta, grown in the same soil.

Dr. Philpott has resigned as president of Auburn University, much to the delight of some Auburn supporters. We really don't see how that could have anything to do with football, but then we ain't diarchs on football. Also, there is news that Governor James has won his war on literacy. University of Alabama just surrendered.

Our friend, Bill Oggs, got quoted in the Dothan Eagle this week. They didn't use Bill's name, but the details fit him - that is, if you overlook the description of "a middle-aged man." Now, Bill is not much older than ye ole editor, so even if he is a grandpa, he ain't middle age.

Most everyone has now heard about the Elba Grand Jury getting upset with the conditions at the county jail. Politicians are a breed to themselves, but it is amusing to see and hear their comments made publicly, and then to talk privately with the same county official. They talk sensible in private, but talk politically in public. There are very few exceptions to this.

Ye ole editor had County Commissioner Don Smith blushing Monday. We walked in singing, "Send Me a Letter in Care of the Birmingham Jail." We are not sure he was blushing over the subject or over our inability to carry a tune in a syrup bucket. It was unfair to Don, 'cause he had been through a morning of all kinds of TV, radio and newspaper reporters watching and recording every move he made, and those of you who know Commissioner Smith know he is kinda jumpy around the news media.

There is a storm coming. . . At last report the main part was to hit the Mobile area, but we will surely get some rain and possibly a tornado or two, even if the main part of Frederic misses us. Hold your hat!

## Big Changes

## Planned For

## Horspens40

## Changes for the old

and the new are taking place in the rocks at Horse Pens 40 this year.

Changes for the old include moving the Folk Festival back into the intimacy of the Little Horse Pens where it all started eighteen years ago.

The big new change is in setting a new date which moves the Folk Festival from the first to the third weekend in October, combining it with the October Bluegrass festival.

The merging of the two shows will have no effect on the Bluegrass Festival. It will continue to hold forth from its regular stage with the usual program times.

Meanwhile the bonnets, biscuits, and buttermilk, the pottery, paintings and great piles of people will make joyful noise just beyond the clogging stage past the big break in the seventy-foot bluff.

Something new has been added to the contests this year, too. Plaques and ribbons will be awarded to winners of the National Sling Shot Contest.

The Barefoot Mile Footrace, and the Quilt Contest.

The Folk Festival, along with the Bluegrass Festival, will be filmed by Alabama Educational Television for its continuing popular Bluegrass Block Thursday night program.

Craftsmen interested in showing during the October 19, 20 & 21 Festival should send a description of their craft along with photographs or slides of the craft to Horse Pens 40 Folk Festival, Rt. 1, Box 379, Steele, Alabama 35967.

## DEACONS

BY: ALBERT L. STROZIER

The town of Kinston is located in the extreme southwest corner of Coffee County, Alabama. It is situated in a progressive farming area, and is beginning to attract industry. The people have a wonderful community spirit and take great pride in their homes, schools and churches.

The area was settled well over a hundred years ago. The land was covered with long-leaf pine and other timber, and logs were used for building many homes and other buildings in the section. A number of these are still standing and a few are still occupied.

The first Post Office of which we have record was called "Cross Trails." It was located at Travis Bedsole's grist mill on Cripple Creek, and this site is now in the corporate limits of Kinston. Later the Post Office was moved and the village went by the name of Bonestown for a time. Still later, the post office was given the name, "Pink." It is said, in honor of the wife of L. R. Hickman, who was known as "Pinkie." Finally the name was changed to Kinston, which it bears today.

What is now the First Baptist Church of Kinston grew out of the old Pilgrim's Rest Church, which was located about two miles east of Kinston. Around 1908, Mr. Daniel Bedsole, who was then 88 years of age, told this writer that what is now the Kinston Church, was started "as an arm of the Pilgrim's Rest Church."

The old Pilgrim's Rest Cemetery is still used, though a good many years ago the church was moved a few miles to the Lowery Cemetery in Geneva County. Some years ago a building was erected at the old cemetery for funerals and memorial services.

The cemetery is now generally known as the "Harrison Cemetery," named for a pioneer settler who may have been one of the founders of the church. He is buried in a masonry tomb above the ground. Vandals have broken into the tomb several times in search of valuables.

The church at Pink was called Union Baptist Church for a number of years after it was organized in 1902. About June or July of 1925 the name was changed to Kinston Baptist Church, and later to the First Baptist Church of Kinston.

The first pastor of whom we have record was Rev. Martin, most likely the first pastor. He was followed by Rev. J. W. Brooks, or Jud Brooks, and J. F. Register. The schoolhouse was used for services for some time. The first building was located across the street, south of the present cemetery. The lot was secured from Frank Sanborn for fifty dollars. This property was later swapped to Will Grimes for the present location.

Union Church was admitted to the Sardis Baptist Association in the annual meeting at Alt on October 4, 1902. Messengers from Union were F. J. Harrison, C. Lee, and M. A. Helms. The church reported a membership of 15, with J. W. Brooks as pastor, and Frank Harris as clerk. Evidence indicates

that the name should be Frank Harrison.

Among other early pastors were J.M. Moore, T.C. McDermott, C.T. Culpepper, G. Anderson and C.O. Helms.

Union Church withdrew from the Sardis Association on October 7, 1914, and was admitted to the Coffee County Association in its annual meeting at Victoria on October 28 of the same year.

One early item of interest is that on September 12, 1908, the church bought a parcel of land 100 by 150 feet in size as a "hitching ground" for horses, buggies and wagons, with the stipulation that no building be erected on the land.

Other early pastors were W.J. Willis, S.D. McCormick, Dr. J.A. Lowery, who was probably on the faculty of the Baptist Collegiate Institute at Newton, B.F. Pierce, T.W. McKnight, W.V. Wallace, and J.L. Hogan. Hogan recently died at a very advanced age at Dozier. A Rev. R.W. Stuckey was called, but evidently did not accept the church.

Several ministers have come from the membership of the Kinston Baptist Church. W.V. Wallace was ordained on August 21, 1921. He served many churches in this area, and in other sections of Alabama. Charles Cook was ordained June 21, 1925. Others are Eugene Bess, son of Mr. and Mrs. Howard Bess of Kinston. He has served churches in Coffee County and in Georgia. Danny Hood was licensed by the church on December 10, 1969, and DeWayne Seay licensed on April 21, 1974. There may have been many others.

Other early pastors include C.A. Johnson, P.C. Andrews, H.W. Beasley, T.G. Burgess, J. Bennett Murphy, and J.M. Blankenship. In more recent years the following have served as pastors: Floyd McLeod; H.C. Chance for three months; Robert Malloy; Jack Clark; L.A. Falkenberg; E.A. McGriff; and Don Birkby, who is now a missionary in Latin America.

The building committee was composed of Robert Wise, Colbert Anderson, Bob Perry, Mrs. Johnnie Stephens and Mrs. Matthews.

A nice brick parsonage was built in the spring and summer of 1957 when E.A. McGriff was pastor. An outstanding singer moved into the new home in late summer or fall of that year.

Among those who have served as church clerks are: Gus Helms, C.A. Anderson, A.B. Wise, C.C. Head, Frank Bedsole, W.F. Baker, J.F. Brunson, F.W. Wilson, Mrs. G.W. Clark, Taylor Wise, W.E. Russell, Robert Wise, E. Bell, A.J. Ward, H.B. Larkin, W.L. Stephens, Mrs. John Foster, Frank Harrison, J.C. Anderson, who served from around 1954 to 1971, having the longest tenure of office, about eighteen years. Other clerks were Mrs. John Will Smith, Miss Dorothy Sanders, Jerry Kendrick, Mrs. Sallie Childers, and possibly others.

Among the deacons listed in the records are A.B. Wise, D.E. Forelimes, M.F. Newsome, T.N. Beall, Robert Wise, Curtis Goodin, Colbert Anderson, G.W. Clark, Bob L. Perry, Audie Clark, Howard Bess, Carey Thorn, Arthur Helms, Audie Ward and Jerry Anderson.

Present Deacons are Woodrow Pierce, Cary Norris, Howard Bess, Tolbert Sumblin, Gene Maloy, Horace Jones, Jerry Kendrick and Bill Foley. Carey Thorn and Arthur Helms were elected emeritus deacons for life in special services on May 27 of this year.

These, and possibly others, have served as Sunday School superintendent: H.E. Jernigan, E. Bell, J.F. Brunson, D.E. Forelimes, W.A. Gattis, A.J. Ward, H.B. Larkin, T.N. Beall, Robert Wise, H.C. Beckham, J.C. Anderson, Gene Maloy, Craig Purnell, E.E. Maloy, Woodrow Pierce, and Jerry Kendrick.

More recent pastors have been Clyde Johnson, Norman pastor, M.A. West, Lowry Lee Swett, and the present pastor, Max Lisenby.

Baptist Young People's Union officers were elected on August 27, 1977, and we may presume that the organization was started at that time. This organization later became known as Baptist Training Union, as other age groups were added in other departments. It is now known as Church Training.

During the twenties, some outstanding revival meetings were held in the church. Dr. A.V. Reese of North Carolina preached a revival beginning on February 15, 1921. An outstanding singer by the name of Beall, led the music. During these services, 38 members were added on Profession of Faith, and some by Letter. This writer was converted under the preaching of the same evangelist in the Antioch Church of Chambers County in East Alabama in the summer of 1919.

Kinston went from quarter to half-time preaching when B.F. Pierce was pastor, and to full-time in October of 1950, under Floyd McLeod.

There have been several additions to the building at the present site. An educational building was erected in 1949-50.

In August of 1924, 39 members were added under the preaching of Rev. Bevis. Rev. J.D. Fuller preached in a revival in July of 1925, in which there were 52 additions by Baptism and 12 by Transfer of Letter.

In the summer of 1925 the church name was changed from UNION to Kinston Baptist Church, and in more recent years to the First Baptist Church of Kinston.

Like other churches, Kinston suffered from the financial crisis of the early thirties. At one time the Finance Committee called a meeting in the home of one of the members to try to devise plans for raising money. The auditorium is equipped with a piano, and the church treasury had dwindled to 50 cents.

The present auditorium at Kinston appears to have been erected in 1912. It has been added to and remodeled several times and otherwise improved. The buildings now include a kitchen, fellowship hall and other facilities. Just this year (1979) six new class rooms were added, along with two additional classrooms and other improvements. Woodrow Pierce served as chairman of the Building Committee. The buildings have central heat, air conditioning. The auditorium is equipped with a baptist, piano and organ and cushioned pews.

Church trustees are Howard Bess, Jerry Kendrick, and Woodrow Pierce. They were elected to this position in February of 1979.

Under the leadership of Pastor Max Lisenby, the church carries on a ministry to the shut-ins of the community. The services are taped and carried to the homes of those who cannot attend the services on Sundays and other occasions. They also conduct services in the nursing homes of the general area.

The present pastor of the First Baptist Church of Kinston, Rev. Maxwell Lisenby was born in Abbeville, Alabama. After several years of college he attended several departments of the University of Maryland in Munich, Germany, where he was employed as a teacher at Stratham Elementary, and Mrs. Mike (Tina) Partidge of Mobile, who is in her last year of college at the University of South Alabama, and whose husband is a pharmacist in Mobile.

Lenwood, who resides in Elba and is employed by Dorsey's, and is married to the former Montine Smith of Elba. She works at Alator in Enterprise and they have one daughter, Mrs. Larry (Linda) Greer of Slone; she works at Dale Sporting Goods and her husband is an employee of Food and Farm Center in Dothan. They have two children - Doug and Shane.

Dorothy (Mrs. Dave) Aldrich, Atlanta, who has been a cashier with a M & P grocery store for many years, and who is married to a pastor, are the parents of two children - Jan (Mrs. Gordy) Kinney, who is married to a pastor, and a son, Michael and Bryan. Her husband works with Eastern Air Lines. Steven, who lives in Denver, Colorado, and works with the Department of Industrial Relations in Denver. He and his wife, Cathy, are the parents of Delana, a student at Jackson Hospital.

Winford, who is married to the former Betty Brunson of Kinston, is a local contractor and Betty helps with the book work. They are the parents of Delana, a student at Jackson Hospital.

On October 20, 1918, Miss

## SENIOR SPOTLIGHT

Joan (Mrs. Charles) Jacobs, who lives here and is an aide at the elementary school, and whose husband is District Supervisor for Trade and Industrial Education, with the State Department. They have three children - David, an administrative assistant to Sid McDonald, and who lives in Arab; Mark, who is married to the former Brenda Spann of Elba. They are the parents of one-year-old Mark Allen and make their home in Dothan where Mark is an instructor at Dothan Vocational Center, which is located at Northview High School, and Brenda is a secretary with Michelin Tire Company, and Cindy, a freshman at Troy State, majoring in Computer Science.

Martha Jean Davis, who is a secretary at Enterprise Jr. College, and is the mother of two children - Pamela (Mrs. Dean) Smith, who is a Junior at Troy State, majoring in Early Childhood and Special Education, and whose husband is Director of Customer Services of Game Warden Sporting Goods, and Dusty, 2, John C. Davis, who is a Junior at Troy State, majoring in Business Administration, a subsidiary of Standard Oil. He and his wife, Karen, have one daughter, Chara Nichelle, who is 12.

Miss Ora Lee speaks fondly of the "corn-shellies" and "peanut shellies" she used to have, and the good time enjoyed by all there; and her specialty, popcorn balls, which she'd make and pass around to those present at the "shellies". She also shared with us about "culling" at square dances. When the caller got lost, Miss Ora Lee would "spell" him.

For ALL have sinned, and come short of the glory of God. Romans 3:23

"For the wages of sin is DEATH, but the GIFT of God is ETERNAL LIFE through Jesus Christ, our Lord." Romans 6:23

"But God commendeth his love toward us, in that, while we were yet sinners, Christ died for us." Romans 5:8

"That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved."

She is a member of the First Baptist Church. When asked if there was anything special she wanted us to print, she replied, "Just tell everybody to pray for me." Her "roomie" "Miss" Beatrice Brooks, a sweetheart of a lady, was ONE LOOK!

In closing, two amusing incidents in the life of Miss Ora Lee - one day she was chopping cotton, and she sat Len and Len on the ground under a peach shade and as she got to the end of the row, she looked back and there was Jewel - just as she was cutting cotton balls at Len, and Len began screaming at the top of his lungs. Thinking Jewel was up to mischief, she ran back to where they were, and to her horror, discovered that she had sat Len on a bumble bee nest, and they were all over him. Jewel was "helping" to get rid of them by bombarding them with cotton ball missiles!

She remembers going to church one time, and a long time ago, before air conditioning, when everyone fanned with a paper fan with Eastern Air Lines. Steven, who lives in Denver, Colorado, and works with the Department of Industrial Relations in Denver. He and his wife, Cathy, are the parents of Delana, a student at Jackson Hospital.

Winford, who is married to the former Betty Brunson of Kinston, is a local contractor and Betty helps with the book work. They are the parents of Delana, a student at Jackson Hospital.

## PASTOR'S CORNER

REV. DAVID RICHBURG PASTOR WHITEWATER BAPTIST

As I said last week, there are some people that I want to criticize and some complaints I want to make; but I still don't have time to sit down and write these out, so I'll just share some Scripture with you again this week.

"For God so loved the world, that he gave his only begotten son, that WHOSOEVER believeth in him should not perish, but have EVERLASTING LIFE." - Jer. 3:16

"But as many as received him, to them gave he power to become the children of God, even to them that believed on his name." - John 1:12

"and brought them out and said, 'What must I do to be saved?'"

"And they said, believe on the Lord Jesus Christ, and thou shalt be saved, and thy house." - Acts 16:30-31

"And the times of this ignorance God overlooked, but now he commands all men everywhere to repent..."

"because he hath appointed a day, in which he will judge the world in righteousness; that man (Jesus) whom he hath ordained; concerning which he hath given assurance unto all men, in that he hath raised him from the dead." Acts 17:30-31

For ALL have sinned, and come short of the glory of God. Romans 3:23

"For the wages of sin is DEATH, but the GIFT of God is ETERNAL LIFE through Jesus Christ, our Lord." Romans 6:23

"But God commendeth his love toward us, in that, while we were yet sinners, Christ died for us." Romans 5:8

"That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved."

## Elba Ministers Active In The Community

The Elba Ministerial Association met recently and elected new officers. They are as follows:

President - Rev. Jim Arbogast, pastor, First Assembly of God, Elba  
Vice-President - Rev. Fred Fowler, pastor, Mt. Gilad Baptist  
Secretary-Treasurer - Rev. David Richburg, Pastor, Whitewater Baptist Church

These officers would like to invite all area ministers to become a part of the association. They meet each week at 8:15 a.m. at the Elba General Hospital, in the Conference Room.

When asked what the Association does, one of the ministers laughingly replied, "Eat breakfast!" Closest interrogation, however, revealed that this organization is an integral part of the community.

It's true, they do eat breakfast each morning, sitting on the house, too; that is, on the hospital. This is one way the hospital has of establishing the close relationship it has with the ministers. This

also provides a time for fellowship with each other - getting to know ministers of the various denominations of the community. "This is of great benefit to us," said one of the officers.

"We also represent the community, and take a stand, on moral issues that may come up," said another. "We share information on happenings in and around the vicinity."

The Association invites various speakers to their meetings, and in this way learn of services offered in the community - what is available that may help them in their many facets of pastoral work - counseling, for example.

They also take turns on a daily radio program on WELB at 10:45 a.m.; hold services at the nursing home at 11:00 a.m. each Wednesday; and write the weekly column, "Pastor's Corner," in *The Elba Clipper*.

CLOSED SATURDAY

ELBA CONCRETE  
COMPANYKINSTON HIGHWAY AT  
CITY LIMITS OF ELBAClubs Encourage Participation  
In Homecoming Parade

Elba High School's annual homecoming parade will begin at 2:00 p.m. Friday, September 28, 1979. The Library Council and Mu Alpha Theta clubs are giving awards in each of the following categories:

1. School class or club floats - The queen's float done by the senior class will not be in competition.
2. Non-school floats - This category includes Pee Wee teams, kindergarten groups, scout groups and civic or professional organizations.
3. Cows - This category includes school and non-school entries in the parade line-up.

A.C.T. Test Dates Are  
Announced

The 1979-80 school year is just beginning, but juniors and seniors at Elba High School and other high schools across the country are already facing some big decisions.

One of those decisions is what to do after graduation - whether to go on to school, to get a job, or try to do both.

Playing an important role in the students' post-secondary education and career planning will be guidance counselors, parents, friends and a national service called the ACT Assessment Program. Designed to provide guidance information for education and career planning, the widely-used program

is recommended for use by student applicants at more than 2,700 colleges and universities.

Elba High students will have five opportunities during the 1979-80 school year to take the ACT test. The first test is a two-part question. Students complete the questionnaire at home as part of the registration process, and then take the battery of tests at area test centers on any of five weekend national test dates.

The five test dates and corresponding registration periods are:

TEST DATE  
October 20, 1979  
December 8, 1979  
February 16, 1980  
April 12, 1980 \*\*\*  
June 14, 1980

REGISTRATION PERIOD  
August 6 - September 21  
October 8 - November 9  
November 26 - January 18  
February 4 - March 14  
March 24 - May 16

\*\*\*All Juniors are encouraged to take the ACT test on April 12, 1980.

## TEST YOUR POTENTIAL

Please follow directions carefully. Hold the square printed below to your face and blow on it for at least ten seconds.

That done, read on...

If the square turned yellow, see your doctor.

If it turned brown, see your dentist.

If it turned purple, see your teacher.

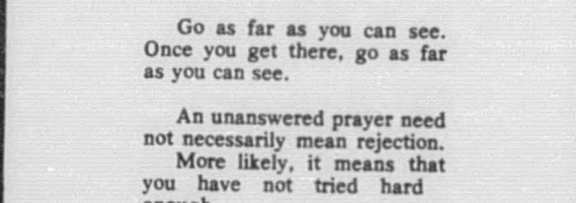

If it turned blue with pink stripes, see your psychiatrist.

If it turned white, see your lawyer and make a will.

But if it remained a black square, there is nothing wrong with you, and you will be expected to be at school every school day on time.

Go as far as you can see. Once you get there, go as far as you can see.

An unanswered prayer need not necessarily mean rejection. More likely, it means that you have not tried hard enough.

Mr. Hamm  
Graduates  
From Auburn

Rodney H. Hamm, of Elba, graduated from Auburn University on Aug. 28, and was awarded a B.S. Degree in Chemical Engineering. He is the son of Dr. and Mrs. Phillip Hamm, of Elba.

"Well, here we are - unbeaten, untied, unscathed, and going into our first game."

Students are late for class for many different reasons. Here are some excuses that teachers at EHS might hear...

...My quarter got stuck in the slot of the coke machine.

...My dog had kittens (whoops!)

...Hurricane David hit my house.

...I had 2 flat tires and only one spare.

...My hair wouldn't do right.

...My alarm clock overslept.

## Seniors Of The Week

The Student Council held their first meeting Sept. 6 during activity period. The meeting was called to order by the president, Stephanie John. During the meeting, the Council discussed future activities, such as: movie, dances, and Sadie Hawkins' Day.

The Student Council would also like to urge everyone to participate in the Red Cross Blood Drive to be held at the Assembly of God Church, Sept. 19 at 12:00-6:00.

Seniors Of The Week

No Wheat  
Set - Aside  
For 1980

Wheat producers will be eligible for farm program benefits in 1980 without setting aside or diverting acreage, according to Robert English, Chairman of the Agricultural Stabilization and Conservation (ASC) committee. However, only those who plant no more wheat than was planted and set-aside in 1979 will have the full target price protection.

"We do not want to see fragile or marginal lands brought into wheat production," Mr. English said. "The no set-aside decision was not intended to encourage all-out production. Farmers are urged to follow good farming practices in planting their 1980 wheat acreage."

The 1979 planted acreage includes credit for set-aside, haying and grazing acreage for payment, prevented planting, and voluntary acreage reductions. Mr. English said the 1980 wheat loan rate will be up 15 cents a bushel to \$2.50, and the target price is expected to range between \$2.95 and \$3.20 per bushel. "The 1979 target price was \$2.95 but because of the 20 percent set-aside, it was adjusted to \$3.40," the ASCS official explained. The final target price will be announced by March 15.

The national program acreage for wheat for 1980 will be 70 million acres, up from 67 million last year. The national acreage is the estimated number of harvested acres that Secretary Bergland determines will produce enough wheat for domestic use, for export, and to maintain an adequate level of carryover stocks.

This dry weather the past 10 days in many areas of the country points out the need to plant peanuts in April. Mid-May planted peanuts are hurting now for rainfall, whereas those that were planted earlier made good peanuts and are being dug. Some years it doesn't matter when peanuts are planted. May peanuts will make just as good as those planted in April. This year is an exception. The earlier planted peanuts in all probability will make higher yields.

Dr. Tim Miller, the director of the Diagnostic Lab, is prepared and equipped to render a valuable service to livestock producers in this county. The laboratory is going to help Coffee County growers as they increase the volume of livestock.

Every year more people are becoming aware of the great service the laboratory is to this county and area. As you consult with your local veterinarian, keep in mind that the work of Dr. Miller in laboratory and diagnostic work.

Let me urge all livestock producers in this county to take full advantage of this good facility which is available to us.

Comments should be received no later than Sept. 18."

The ASCS official said the written remarks concerning county and sorghum should contain suggestions and recommendations on the amount of the reduction from the previous year's harvested acreage required to guarantee target price protection on the total 1980 planted acreage, whether there should be a set-aside requirement and, if so, the extent of the set-aside.

Comments are also requested for determinations as to whether there should be a land diversion program and, if so, the level of such diversion and the level of payment; whether a limitation should be placed on set-aside or land diversion acreage; and the loan and purchase levels for 1980 crops of corn, sorghum and soybeans.

"Before reaching his decision, Secretary Bergland will consider any recommendations and views regarding the proposed determinations," Mr. English said.

Comments should be received no later than Sept. 18."

The ASCS official said the written remarks concerning county and sorghum should contain suggestions and recommendations on the amount of the reduction from the previous year's harvested acreage required to guarantee target price protection on the total 1980 planted acreage, whether there should be a set-aside requirement and, if so, the extent of the set-aside.

"Before reaching his decision, Secretary Bergland will consider any recommendations and views regarding the proposed determinations," Mr. English said.

Comments should be received no later than Sept. 18."

The ASCS official said the written remarks concerning county and sorghum should contain suggestions and recommendations on the amount of the reduction from the previous year's harvested acreage required to guarantee target price protection on the total 1980 planted acreage, whether there should be a set-aside requirement and, if so, the extent of the set-aside.

Comments are also requested for determinations as to whether there should be a land diversion program and, if so, the level of such diversion and the level of payment; whether a limitation should be placed on set-aside or land diversion acreage; and the loan and purchase levels for 1980 crops of corn, sorghum and soybeans.

"Before reaching his decision, Secretary Bergland will consider any recommendations and views regarding the proposed determinations," Mr. English said.

Comments should be received no later than Sept. 18."

ELBA EXCHANGE BANK

## TEN YEARS AGO

SEPTEMBER 11, 1969

Mr. and Mrs. Jim Rogers and children - Patricia, Jim and Deborah - recently moved to Elba. They reside on Elm Avenue in Brookdale. Mr. Rogers has been employed as Controller at Dorsey Trailers, Inc. The Rogers' formerly lived in Chattanooga; they are members of the Methodist Church.

Elba's decorated Brantley by a score of 49-0. Captains for the Elba-Luverne game are Larry Wambles and Daniel Stevens.

Miss Mary Collier was complimented with a "Going Away" luncheon on Friday, August 29. Hostesses were Miss Cyndi Stokes and Miss Vicki Taylor. Others attending were: Miss Vickie Grantham, Miss Cheryl Bowell, Miss Debbie Bowers, Miss Becky Harrison and Miss Henrietta Gaines. Miss Collier left September 5 for Jacksonville, Florida, where she will attend Bolles School.

View From The Steeple. By: Jim Auchmuty. "What does a pastor do?" An anonymous scribe answers: "The pastor teaches, though he must solicit his own classes; he preaches, though without pills or knife; he is sometimes a lawyer, often a social worker, something of an editor, a bit of a philosopher, an entertainer, a salesman, a decorative piece for public functions, and is supposed to be a scholar; he visits the sick, marries people, buries the dead, labors to console those who sorrow, and to admonish those who sin, and tries to stay sweet when chided for not doing his duty; he plans programs, appoints committees (when he can get them); spends considerable time in keeping people out of each other's hair; between times he preaches a sermon and preaches it on Sunday to those who don't happen to have any other engagement. Then on Monday he smiles when some jovial chap roars,

## Mrs. Carnley & Mrs. Prescott Host Three-In-One Club

Mrs. Fleetwood Carnley and Mrs. Cecil Prescott were joint hostesses Thursday evening to the Three-In-One Club for the first meeting of the new club year, in the home of Mrs. Carnley.

Before the call to order, the hostesses served a salad plate with dessert and tea.

Mrs. Carnley, president, led the club in a reading of the Club Collect, and then conducted a brief business session. Mrs. L. P. Morrow distributed lists of blind-made goods and urged everyone to buy and sell as much as possible.

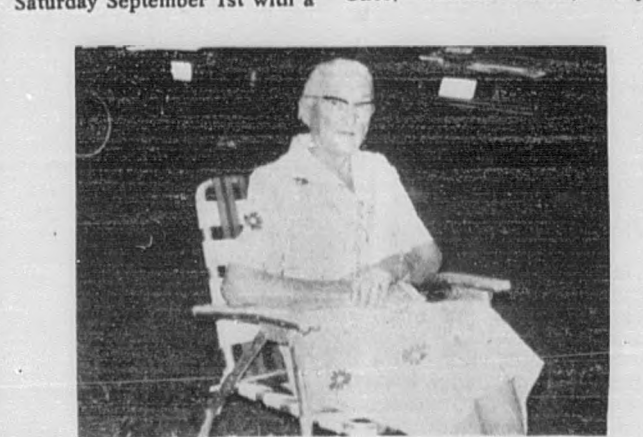

Mrs. May Prescott presided over the new year books and collected dues.

Devotional was given by Mrs. Nellie Martin. "Highlights of Summer" by each member present made an interesting program.

Those present were: Miss Gladys Clark, Mrs. Pauline Allen, Mrs. James English, Mrs. J.W. Kendrick, Miss Eleanor Lee, Mrs. R.N. Lee, Mrs. Nellie Martin, Mrs. L.P. Morrow, Mrs. May Prescott, Mrs. Sam Rowe, Mrs. E.M. Warr, Mrs. Sam Sawyer, and the hostesses.

## Miss Lori Marsh Is Five Years Old

Miss Lori Marsh, daughter of Mr. and Mrs. Stan Marsh, celebrated her 5th birthday, Saturday September 1st with a party at her home.

## Mrs. Johnson Celebrates Her Eighty-seventh Birthday

Mrs. Idell Johnson celebrated her 87th birthday August 12, 1979 at the home of her daughter Mrs. Louise Cox.

Those present were: Mr. and Mrs. Charles Cox, Mrs. Arkie Hodge, Mrs. Mary Johnson and Bobby of Enterprise, Mr. and Mrs. Teddie Bryant, Mr. and Mrs. Eddie Robertson, Mr. and Mrs. David Robertson, Mrs. Beale Rogers, all of Elba.

Everyone enjoyed the day. Mrs. Johnson left on Tuesday afternoon for a visit with her daughter that lives in Winter Garden, FL.

## Ketrath Joy Smith Is Four

Ketrath Joy Smith, daughter of Rev. and Mrs. Feron Smith, celebrated her 4th birthday with a party at her home. She had a lovely Bunny cake and all the trimmings.

Friends attending the party were: Terry, Jan and Joey Tyler, Wilson had their daughter, Diana, who is in her third year at Judson College home with them this week-end and she had as her guest a friend from college, Jenny Brown whose home is Baker, Florida.

## BIRTH

Joseph Paul Jacobs, son of Mr. and Mrs. Jimmy Jacobs, was born September 8, at 12:01 at the Coffee General Hospital in Enterprise. Joseph weighed 7 lb. 6 oz.

Proud grandparents are Mr. and Mrs. Paul Jacobs of Elba, and Mr. and Mrs. Don Russell, New Brockton.

Mother and baby are reported to be doing just fine.

luncheon at Zion Chapel School for the opening exercises. After the opening song with Mrs. Curtis Wilks at the piano, and Mrs. Joe White as song leader, the Rev. B.F. Lowery gave the devotion.

Mr. and Mrs. W.F. Fortner, Miss Annie Laura Fortner, Mrs. Dianne Parker and infant son visited 5/5gt. and Mrs. Bryant Fortner and family in Montgomery Sunday. Mr. Fortner presided at the monthly meeting of the Spanish American War Veterans.

On Sunday evening, September 3, a great shock came over Bluff Springs Community when the death angel visited the home of Mr. George Mason and claimed for his own the beloved wife and mother, Mrs. Susan Emma Mason. She was confined to her bed only 2 days and bore her suffering with patience. Mrs. Mason lived to be 74 years of age. She was the daughter of Mr.

Mr. Jesse Brown, of the Elba Gin and Warehouse Company, whose offices and warehouse are being used for purchasing peanuts by the Sessions Company, stated Wednesday that Spanish peanuts are coming in quite freely and most of them are of good quality. He said Jim Jackson of the Zion Chapel Community sold a load Tuesday that brought \$230 per ton. The price, Mrs. Brown said, is based largely on moisture content.

Each year in the 4-H club's a canning contest is held. The judges will be the quantity, variety and quality. Last year's winner was Eleanor Cox of the Goodman Club. Girls entering this year are: Louise Boutwell, Mavis Wilson, Betty Allen, Wilma Jean Motley, Mary Jo Grimes, Totsy Johnson of Goodman, Ruby Nell Flowers, Jean Prather, Willie Wayne Harrison, Catherine Sue Weeks, and Dot Bowers of Basin. Jean Prather, Willie Williams of Curtis; Rosie Vee Taylor and Nellie Marie Stephens of Eanon; Margaret Jean Godwin of Pine Level; Marie Pearce and Mary Williams of Bluff Springs.

On Monday, September 5, a group of about 240 students met in the large auditor-

## Elba Study Club Holds September Meeting

The Elba Study Club met Wednesday, September 5, 1979, in the home of Mrs. W.H. Taylor. Mrs. Jo Bailey was co-hostess, but was unable to attend.

As the members arrived, the hostess served a delicious salad plate to the following who were present:

Messrs. M. O. Bruckner, Edlow Bryan, Viola Allred, J. R. Clark, Prude Crook, L. J. Diamante, Oswald, Dorell Hudson, W.E. Kelley, T.D. Kendrick, J.M. Kinney, J.D. Lowery, F.H. Murphree.

Mrs. Garrett called the meeting to order and turned it over to the program chairman, Mrs. W. H. Taylor. She explained the "Program Topic" for the year - "Hodge Podge." She then introduced the speaker, Mrs. P.H. Sellers.

Mrs. Sellers gave an interesting program on "Down to Earth" that brought back memories of yesteryears.

Mrs. Sellers thanked Mrs. Taylor for an unusually interesting program, and then called the meeting into the order of business.

She asked for reports from various committees, and a new member, Mrs. Kirk Allred, was welcomed.

## Navy News

JOSEPH M. KATHER

Marine Cpl. Joseph M. Kather, whose wife, Tina, is the daughter of Hubert and Lola Wambles of Route 1, Jack, has completed the Basic Helicopter Course.

The six-week course was conducted at the Naval Air Technical Training Center, Millington, Tenn. Students received instruction on the operation of helicopters and studied mechanic training, the theory of rotary-winged flight and power plant principles. In addition, they underwent five days of practical application or transmission systems, flight controls and general helicopter maintenance.

He joined the Marine Corps in June 1976.

## Army News

MAJ. JOSEPH M. BAILEY

Maj. Joseph M. Bailey, son of Mrs. Sybil L. Glenn, Route 2, New Brockton, Alabama, recently arrived at Fort Leavenworth, Kan., to attend the Regular Course at the U. S. Army Command General Staff College.

The 10-month course at the Army's senior tactical school is designed to produce graduates who are competent military problem solvers. Emphasis is on career development for the officer's future duties as a senior commander or staff officer.

Bailey entered the Army in August 1969 and received his commission through an Officer Candidate School.

He received a bachelor's degree in 1976 from Troy State University.

The major's father, Joseph L. Bailey, lives on Route 2, Elba. His wife, Nan, is with him at the fort.

Our electrical energy use has about doubled every decade since 1900.

THE  
PRESSBOX

With Ricky Mulara, Sports Editor

Elba won again last week, but again made too many mistakes to be called impressive on offense. Nobody has stopped the offense yet, and it has been through our own mistakes that we haven't scored even more points than we did. We are looking better, however, and I expect us to put it all together mighty soon.

On defense, everybody has to be impressed with our team's effort. We're not big, but are quick and aggressive. The Elba defense can be best defined in one word - "Outstanding!"

The local high school scene had a few surprises last week, and I jotted down some notes. Here they are:

\*\*\*What has gotten into Troy? The Trojans blasted Opp 28-7, and have already won two games. I guess Troy is back!

\*\*\*Brantley fell to 0-2, but isn't that bad a team. If they'd open up their offense and use their speed, they could be hard to stop.

\*\*\*New Brockton stunned everyone but themselves in edging Ariton 16-14. Maybe the Gamecocks are for real!

\*\*\*Andalusia had no trouble with Brundidge, and I heard their offense looked excellent. I'll hold judgement until they play a better team.

\*\*\*Zion Chapel established itself as a Class A power by burying Kinston. The Rebels have some quality players and could possibly be the team to beat in Area 5.

\*\*\*Enterprise defeated Ozark 28-6, but is a long way from being a 4A power. The Cats are young, however, and I'm sure their claws will sharpen with age.

Former Elba basketball coach Guy Sawyer is now head football coach at Evergreen, and the Aggies are off to a fast start. The once weak Evergreen squad has beaten Wilcox County and W.S. Neal, and Coach Sawyer has got everybody excited. Good luck!

Alabama looked good on TV Saturday and could be headed for another championship season. The Tide looked awesome on defense, and the wishbone looked better than ever. It looks like the Tide will roll along again this season.

Ye Ole Polish Prognosticator hit on 17 of 20 picks last week for an 85% completion rate. The only teams fooling the old crystal ball were Brockton, Long and Troy. The hurricane has the reception a bit fuzzy this week, but here goes...

**ELBA vs. LUVERNE**  
Luverne has one of its best teams ever, with a quick, hard-hitting defense and a strong offense. The Elba gridlers have too much pride to allow an upset, and should rise to the occasion!

**Elba 20 Luverne 12**

**ARITON vs. KINSTON**  
Coach Rainer's Bulldogs are much improved, but I'm afraid they're in for a long, long night. Look for the Cats to be on the prowl!

**Ariton 28 Kinston 0**

**ZION CHAPEL vs. CLIO**  
The big question is whether or not the Rebels can contain Clio's speed. Well, it's hard to score when you don't have the ball!

**Zion Chapel 21 Clio 6**

**NEW BROCKTON vs. GOSHEEN**  
The Gamecocks are definitely a power in Class A circles, but the Eagles are a 2A school. Brockton could find the going a bit tougher against the 2A Eagles!

**Goshen 16 New Brockton 12**

**COFFEE SPRINGS vs. WICKSBURG**  
The Golden Bears aren't 14-carats, but they do shine on defense. Look for a low-scoring battle, with Coffee Springs pulling it out!

**Coffee Springs 15 Wicksburg 13**

Coach Wood Reports Luverne  
Will Use Wide-Open Attack

It will be a battle of unbeaten Tigers this week when Coach Glen Daniel brings his 2-0 Luverne team to town to battle Coach Mack Wood's 2-0 Elba Gridders. It should be quite a battle!

"Luverne has a good football team," said Coach Wood earlier this week. "and we know we're in for a tough game. They came close to winning their area last season and return most of their starters. Luverne always plays Elba a real good game and this year will be no different."

"Offensively," reported Wood, "they run the option and throw the ball deep. They're not a real conservative team. Luverne is not real big but they have a real good quarterback and some speedy runners. They like to get outside, and they've got the speed to do it. On defense, we

expect them to play us different than they do other folks. They will key on our running backs, and be real aggressive all over the field. I have a lot of respect for Coach Daniels and his team, and I know they'll be ready."

"If we're going to win," said Coach Wood, "we'll have to play better on offense than we have so far. We will have to block better and execute better. On defense, we have to continue to be aggressive and stop their option. I hope we will continue to play well on defense."

"I think Geneva had a good team," said Wood, in looking back to last week's game, "and they played us hard and made us work for everything we got. They had a lack of depth, and it hurt us."

"Offensively, we were a little careless," said Wood,

"but I think we improved from the Brundidge game. We blocked better, executed better, but we're still not where we'd like to be. It will take time to get our execution down, but it's getting better and with hard work it will come around."

On offense, Coach Wood praised the play of Danny Basley, Bobby Hall, Mark Davis, David Suttley, Alan King, Bobby English and Don Horstead.

"Defensively," added Wood, "we were real aggressive and made some big plays. Our key has been our aggressiveness, and we've got to keep getting after folks."

Drawing praise on defense were Bobby Hall, Stuart Bane, Eddie Coleman, Doug Daniels, Jamie Hudson, Greg Hudson, Mark Clark, Todd Westbrook and Mike Harrison.

The Elba B team took it on the chin Monday night when they fell to Andalusia 21-0. In the photo above, Brett Scarborough stops an Andy runner for a short gain.

Rebels Ready For Crucial Area Game  
With Clio

Having disposed of cross-county rival, Kinston, last week, their thoughts turn to area competition this week as the Zion Chapel Rebels host the Clio Yellowjackets.

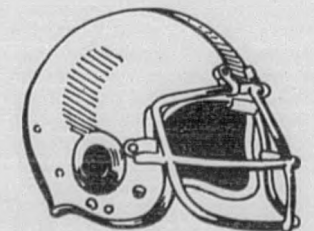

"I'm going into the game blind," reported Rebel Coach David Collins, "because I honestly don't know much about them. I know they're fast, and always, and they've got a real good runner in Norris Morris. I'm sure they are like all Clio teams - fast and not afraid to throw the long pass. We look for them to try to get outside and throw the ball deep."

"For us to win," stated Collins, "we'll have to play basic football and not turn the ball over. We can't make any

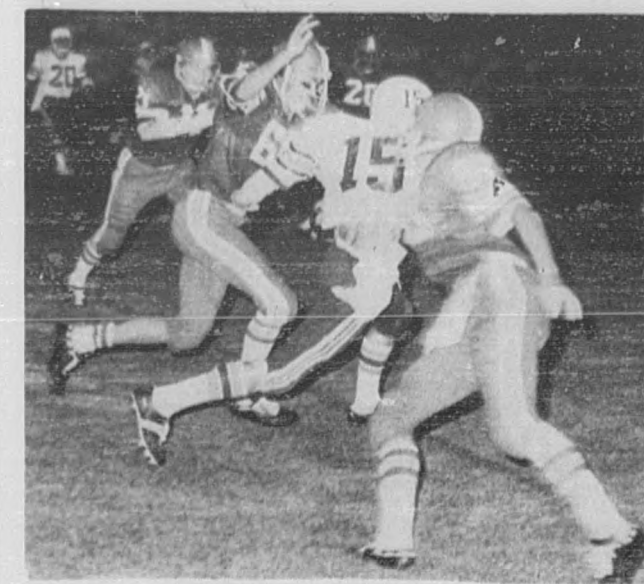

mistakes on offense. On defense, we'll have to contain their speed and stop the long pass."

When asked about last week's win over Kinston, Coach Collins said, "I was real pleased. Kinston has a good team and showed a lot of character. They'll win some games before the season is over."

"We didn't look good passing," added Collins, "but we did gain 315 yards on the ground, and used 9 different runners. The line blocked well, and our backs ran hard. We made a few changes, but did real well. I was pleased with the play on defense. We played hard and got after some

## TAYLOR PARTS

343 Factory St. Elba, AL

The Zion Chapel Rebels opened their season this past Friday night with a very impressive 38-7 victory over the Kinston Bulldogs. The Rebels defense is what really stood out in the game. The Z.C. defense allowed only 164 yards of total offense, while scoring two touchdowns of its own.

Kinston won the toss and received the opening kickoff, but were unable to move the ball. Byron Foley made a beautiful 23 yard run of the Kinston punt to put the Rebels in business on the Bulldogs 20 yard line. Two carries later, Z.C. had their first points of the season with the touchdown coming on a superb 13 yard run by Mike Kearney. Boyd Deal added the conversion, so with 9:33 remaining in the first quarter Zion Chapel lead 7-0.

After the kickoff, Kinston was again unable to move the

ball. Another fine punt return by Foley kept the Rebels good field position at their own 42 yard line. Seven plays later, the Rebels found the way into the Kinston endzone again. This time Kearney bulled over from eight yards out. Deal again converted, so with 6:28 left in the first period, Z.C. lead 14-0.

At this point, both offenses went cold with neither making a sustained drive until the end of the second quarter. Zion Chapel drove the ball deep into Kinston territory, only to miss a 30 yard field goal attempt. Three plays later, Tommy Wilkerson intercepted a Darryl Wilkerson pass and returned it 25 yards for a touchdown. The kick failed, so the half ended with the score Z.C. 20-Kinston 0.

The Rebels held back the best scoring chance of the

night for the Kinston Bulldogs midway through the third quarter, taking over on downs on their own 4 yard line. Six plays later, Tommy McClain broke about three tackles enroute to a beautiful 71 yard scoring jaunt. Tony McClain's pass attempt for two failed, so with 2:12 left in third quarter Z.C. lead 26-0.

Neither team was able to move the ball on its next try, so after the exchange, Kinston opened on its 9 yard line. On their second snap, the ball was fumbled, with Chris Sanders picking up the loose ball and going 5 yards into the endzone. This could be the beginning of something big, so there if you can!

Kickoff is at 7:30.

Kinston then put together a one-play, 77-yard drive which ended in a 38-yard touchdown pass from Wilkerson to Curtis Lane. Wilkerson then added the P.A.T., making the score ZC -32 - Kinston -7.

The last score of the ball game came on a 60-yard break-away by Chris Sanders. The try for two failed again, so Zion Chapel now held the lead at 38-7.

Zion Chapel really appears to be deep in running backs this season, as 9 different people carried the ball, led by: Chris Sanders 4-78; Tommy McClain 5-71; Darryl Costner 8-51; Mike Kearney 9-41; and Leslie Husey 6-40.

The Rebels' next game is this Friday night at home against the Clio Yellowjackets. This could be the beginning of something big, so there if you can!

Kickoff is at 7:30.

Kinston then put together a one-play, 77-yard drive which ended in a 38-yard touchdown pass from Wilkerson to Curtis Lane. Wilkerson then added the P.A.T., making the score ZC -32 - Kinston -7.
